LEVEL FILLER VALVE DIAPHRAGMS AND EXPANDABLES OEM REPLACEMENT PARTS

The next generation of Federal valve diaphragms and expandables

Federal is pleased to announce the availability of the next generation of Federal level filling valve diaphragms and expandables, often referred to as sealing or valve rubbers. Now available in two colors, traditional red and new FDA blue. Federal's new valve rubbers offer consistent, dependable performance.

FEATURES AND BENEFITS

- Manufactured to Federal's specifications by a new, certified supplier
- All new expandables and diaphragms produced on new molds using state-of-the art molding technology
- Precise dimensional tolerances from new molds + new manufacturing process = consistent quality
- 3-A certified materials
- Smooth, blemish-free surfaces
- Smooth, blemish-free openings and edges
- Consistent, snug fits
- Consistent spring rates
- Available in two colors: traditional red and new "FDA blue"
- Second color makes color-coded rotations possible
- Custom colors can be offered based on the availability of 3-A certified materials
- Expandable Sealing Rubber Red - Part # 28876
- Expandable Sealing Rubber Red - Part # 33048
- Diaphragm Red Silicone 10-12# Rate - Part # 28005
- Diaphragm Red Silicone Low Topload - Part # 280057
- Expandable Sealing Rubber Blue - Part # 28876BL
- Expandable Sealing Rubber Blue - Part # 33048BL
- Diaphragm Blue Silicone 10-12# Rate - Part # 28005BL
